Zion Preschool - Discipline Policy

I have read and understand the discipline procedures as stated in the Student Handbook and listed below.

Discipline procedures for children:

Discipline

The teacher will verbally reprimand your child individually. Firm positive statements about behaviors or redirection of behavior will also be used. If this is not effective, your child will be removed from the group setting. Removal from the group will not exceed one minute per year of the child's age. If there is still a problem, the teacher will confer with the parents.

Discharge

In the event that your child is not adjusting to the preschool environment, a parent/teacher conference will be held. If the situation cannot be resolved, a meeting will be held with the parents, the teacher, the director and the Board of Christian Education at which time the board will make the final determination. Suggestions of more appropriate centers will be given to the parents at this time.

Maple Park and Field Trip Permission

When the weather is cooperative, we will take nature walks around the neighborhood. We might also take your child on mini-field trips to Maple Park, across the street from our school. Since the park is a public park, not part of our school, and is not regulated by the State of Illinois standards for day care centers, we need your permission to do this. Children will be supervised by the classroom teacher and aide while at the park.

_____ has permission to go to Maple Park with his/her class for the current school year.

_____ has permission to leave the premises of Zion Preschool under supervised care for field trips. I understand my child will be returned to Zion Preschool at the conclusion of the field trip in order to go home at his/her regular time unless I am otherwise notified.

Photo Print Permission

We periodically take pictures of our students participating in the fun activities we plan for them. They love to see themselves in print! We occasionally print pictures in the Preschool portion of Zion's monthly newsletter (which you will receive) and/or the Mascoutah Herald and would like to make sure parents are agreeable to having their child included. Zion's newsletter is not published on social media. We will also post student's photos in private Facebook classroom pages.

Please fill out the bottom portion of this form to indicate your preference.

ZION PRESCHOOL - POLICY FOR LATE PICK-UP

In order to comply with State of Illinois regulations for day care centers that govern our preschool, it is necessary for us to have on file a signed written agreement regarding our policies that affect children who are not picked up at our dismissal time of 11:30 AM.

We have had very few parents who have not been conscientious about picking up their child on time or making arrangements for their child to be picked up on time, and do not anticipate it to be a problem in the future. However, since we are licensed by the state, we must comply with their regulations.

Please read the state regulation from Licensing Standards for Day Care Centers on the reverse of this form, our policies listed below, and complete the information required.

If parents or caregivers are five minutes late in picking up their child, the parent or caregiver will be called at the number indicated in the child's file.

If the parent or caregiver can not be reached at the provided number, or numbers listed, the child's emergency contact person will be contacted at the number indicated in the child's file. If your telephone number or that of your emergency pick up person changes, please let the preschool office know immediately so we will always be able to contact someone in case of an emergency.

If parents or caregivers are more than 15 minutes late in picking up their child, and they have not contacted the school, they will be charged a \$3.00 late fee. Late fees will accrue at an additional \$3.00 for each additional 15 minutes until the child is picked up, or the school has been called and other arrangements have been made.

We have not had a need to contact authorities due to children being left at our facility and do not foresee such circumstances. Every effort will be made to contact parents, caregivers, emergency contact people, and all others listed on the child's pick-up authorization form. Your child will remain with his/her teacher or the preschool director until someone from your child's pick-up authorization can be located. The Mascoutah Police Department will only be contacted if we cannot reach anyone on your child's contact list within an hour of the end of the school day.

At no time will your child be made to feel uncomfortable if he/she needs to wait for a parent or caregiver to arrive. Your child will not be held responsible for the situation and discussion of the issue will only be with the parent or guardian, not the child. Any child waiting for a parent will be supervised by the classroom teacher or director until he/she is picked up. Every effort will be made to occupy the child and make sure the child is not concerned about the late pick up.

I understand that dismissal time is at 11:30 AM and agree to pick up or have my child picked up at that time. I have read and understand the policies listed above and the attached regulation from Licensing Standards for Day Care Centers, and agree to the policies as stated.

2020.10 Illinois Department of Children and Family Services
Rules 407 – (58)

f) All day care centers shall have a written policy that explains to parents and staff the actions the center will take if a parent or guardian does not pick up, or arrange to have someone pick up, his or her child at the designated, agreed upon time. The policy shall consist of the provider's expectations clearly presented to the parent or guardian in the form of a written agreement that shall be signed by the parent or guardian and shall include at least the following elements:

- 1) The consequences of not picking up children on time shall be precisely communicated to parents, for example:
 - A) Amount of late fee, if any, and when those fees begin to accrue.
 - B) The degree of diligence the provider will use to reach emergency contacts, e.g., number of attempted phone calls to parents and emergency contacts, requests for police assistance in finding emergency contacts, and so forth.
 - C) Length of time the facility will keep the child beyond the pick-up time before contacting outside authorities, such as, the child abuse hotline, police, and so forth.
- 2) Emphasis on the importance of having up-to-date emergency contact numbers on file.
- 3) Acknowledgement of the provider's responsibility for the child's protection and well-being until the parent or outside authorities arrive.
- 4) A policy that staff shall not hold the child responsible for the situation and that discussion of this issue will only be with the parent or guardian and never with the child.
